Housing Voucher Waitlist Next Steps

If I am added to the waitlist, what happens next?

If your number is placed on the waitlist, you will be contacted when a voucher is available. At that time, Housing Catalyst will ask for documentation verifying eligibility. Once eligibility is confirmed, you will attend a meeting to receive the voucher and information about the program. You are then responsible for locating an eligible rental home in Larimer County where you can use your voucher.

How do I inform Housing Catalyst if my address changes after I submit my application?

We need to be able to contact you by mail. Always inform Housing Catalyst of changes to your address or other contact information by completing a Waitlist Change Form. This form is located on our website under "About Us - Agency Documents." You may also call or email our office to have a form sent to you. Please either mail, email or fax your completed form to our office.

What other affordable housing options are available in the community?
