D. Affirmatively Furthering Fair Housing.

(Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D.; nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year PHA Plan. The 5-Year PHA Plan provides the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families and the progress made in meeting the goals and objectives described in the previous 5-Year Plan.

Public reporting burden for this information collection is estimated to average 1.64 hours per year per response or 8.2 hours per response every five years, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).

B.3 Progress Report (Attachment-A)

Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goal 1: Preserve existing affordable housing

- Housing Catalyst completed a Section 18 disposition of its remaining Public Housing in early 2024. Repositioned units are being renovated or redeveloped as affordable rentals or affordable home ownership opportunities.
- From 2020-2024, Housing Catalyst renovated 42 homes within the agency's affordable housing portfolio. The renovations will preserve these units as high-quality affordable rentals.
- In 2022, Housing Catalyst purchased a property with 27 units in a highly desirable location. The agency has preserved these apartments as affordable rentals.

Goal 2: Increase supply of affordable housing

- From 2020-2024, Housing Catalyst developed 139 homes with affordable rents. An additional 86 homes are currently in development. The agency also served as a Special Limited Partner on projects that created more than 300 new homes with affordable rents in Northern Colorado.
- In 2022 Housing Catalyst was selected to join the Landlord Incentives cohort of HUD's MTW demonstration program. The agency is implementing landlord incentives that aim to expand housing choice by increasing the number of local landlords participating in the Housing Choice Voucher program.

Goal 3: Empower and equip residents for stability and success

- Housing Catalyst supported hundreds of residents in achieving their health, financial, career, and educational goals through the JumpStart Family Self-Sufficiency program. In 2023, JumpStart graduates had an average escrow account of \$9,648, demonstrating a significant increase in their earned income.
- In 2021 Housing Catalyst opened its second Permanent Supportive Housing community in Fort Collins. Mason Place, a 60-unit building in mid-town Fort Collins, features wraparound services, easy transit access, and Trauma Informed Design features.
- Housing Catalyst piloted a positive rent reporting program with the Colorado Housing and Finance Authority. More than 200 residents participated in the pilot, and participating residents saw an average credit score increase of 69 points. The program has since been adopted at all Housing Catalyst properties.

Goal 4: Achieve business/organizational excellence

- Housing Catalyst has made efforts to more fully utilize Yardi software to improve internal and external processes. Voucher program applicants can now complete their applications via an online portal and HCV landlords can review their HAP history online.
- Housing Catalyst has reviewed and refined many of its policies, processes, and standard operating procedures to promote more effective operations.
- The agency has strategically added staff to accommodate a growing number of vouchers, rental properties, and development projects.

Goal 5: Build community support for affordable housing

- Housing Catalyst partnered with the Downtown Development Authority to develop Oak 140. The 79-apartment mixed used building is the first LIHTC development in downtown Fort Collins designed with the downtown workforce in mind. The project represents what's possible with a well-coordinated community effort.
- Housing Catalyst banded together with other housing-focused agencies and nonprofits to form One Voice for Housing. The organization advocates for better local policies that support housing affordability, equity, accessibility, and sustainability.
- Housing Catalyst has built and maintained relationships with a vast network of community partners, including the City of Fort Collins, the Town of Wellington, Larimer County, the Northern Colorado Continuum of Care, the Northern Colorado Rental Housing Association, and the Fort Collins Affordable Housing Board.
