

WAITING LIST FOR

Project Based Vouchers

OPEN NOVEMBER 7-12, 2024

Housing Catalyst will open the waiting list for Project Based Vouchers from Thursday, November 7 at 8:30 a.m. to Tuesday, November 12 at 4:30 p.m.

Project-Based Vouchers (PBV) provide rental assistance towards the cost of rent in designated apartments. These are only eligible at specific apartments. Rent is approximately 30% of your total household income.

To qualify, the applicant's household total income or benefits must be below 50% of the area median income. The number of bedrooms a household is eligible for depends on the household size. (See specific guidelines on the application.) *You do not need to verify your income when you apply for the waitlist; Housing Catalyst will collect more information from you when a project-based apartment becomes available.*

Housing Catalyst may reach out periodically to verify your information. **Please respond each time, or you may be taken off the waitlist! Contact us if your contact information changes, especially your address.** Mailing documents is the main way we reach you.
